

## STAPLES DANCE ACADEMY

### **Covid-19 Social Distancing rules.**

1. Please wait outside until a member of staff comes to collect you for your class.  
Parents/guardians shall not be permitted to wait in the building. Your children will be assisted to the bottom of the stairs after their classes. (This goes for juniors and seniors)
  - Children shall be brought up to the studio by a member of staff
  - They will go straight into the studio where they will stand in their designated box.
  - One at a time they will go to their own spot to place their belongings down.
2. Make sure your child comes already dressed appropriately for class. When entering, each child will be able to go to a designated area, to remove excess clothing, e.g. Zip hoodies and jackets. Please bring dance shoes in a small bag.
3. Make sure you have your own water bottle as kitchen facilities shall not be in use.
4. Lockers shall also not be in use, please arrange to collect anything from them before classes commence.
5. Keep the two meters distance, following the markings on the floor, in the studio and entrance.
6. Please use the hand sanitisers provided.
7. All Ballet barres and door handles in studios will be sanitised in-between each class.
8. Toilets will be cleaned thoroughly between uses.
9. Masks may be worn if preferred.
